Deceased.

PETITION FOR FINAL ACCOUNTING

_____)
TO THE SURROGATE'S COURT OF THE COUNTY OF NEW YORK:

1. The petition of AARON R. FROSCH residing at 300 Central Park West, New York, N. Y. respectfully states:
2. The decedent died on the 5th day of August, 1962 and at the time of her death was a resident of the Borough of Manhattan, City, County and State of New York.
3. Letters Testamentary were duly granted to your petitioner by the Surrogate's Court of New York County, New York on the 30th day of October, 1962.
4. More than seven (7) months have elapsed since the issuance of said letters.

5. The names and post-office addresses of all persons interested in the Estate and/or Trust Fund to whom process must issue pursuant to the provisions of SCPA 315 and SCPA 2210 are as follows:

both jurisdictions and then commenced the probate proceedings.

6. The following legatees have been paid:

- A. Norman and Hedda Rosten - bequest of \$5,000.00
- B. Bernice Miracle - bequest of \$10,000.00
- C. May Reis - bequest of \$10,000.00
- D. Lee Strasberg - bequest of personal effects and clothing

7. There are no other persons that those above-mentioned who are interested in this proceeding.

8. That all of said above-mentioned persons are of sound mind and all are of full age except Gladys Baker a/k/a Gladys Eley, mother of the decedent. Inez C. Melson was appointed as Conservator by Order of the Superior Court of the State of California and that subsequently Bernice Miracle, residing at 330 S. W. 27th Street, Gainesville, Florida., daughter of said Gladys Baker a/k/a Gladys Eley, (has been) was appointed Guardian and, upon information and belief, continues to act as Guardian.

9. That there is no other accounting proceeding now pending.

10. That your petitioner duly commenced probate proceedings in New York County and ancillary probate proceedings in the State of California. After appropriate probate hearings, decedent's will was duly admitted to probate and petitioner was duly appointed Executor in

both jurisdictions and then commenced the marshalling of the decedent's assets.

At the time of decedent's sudden and unexpected death, she had no cash available in the State of California and insufficient cash in the State of New York to meet her obligations. Mobs of curiosity seekers came to her homes seeking to buy or remove memorabilia. There was no family member who could supply aid or information in the supervision of her affairs. Her obligations to creditors and her tax liabilities far exceeded her cash availability.

The decedent did, however, have a continuing compensation interest in two (2) motion picture films entitled "Some Like It Hot" and "The Misfits", which provided for deferred compensation for a guaranteed amount for a number of years and, thereafter, a percentage participation. Decedent, however, had granted a wage assignment against said deferred compensation to a bank in the State of California in the sum of Seventy Four Thousand (\$74,000.00) Dollars. Said deferred compensation to its determined valuation was deemed "income in respect of the decedent" and, therefore, was subject to estate

body instructions and then commenced the work

taxes and, when received, was deemed "income" and subject to income taxes. Said deferred compensation was further subject to payment of agent's commissions of 10% of the gross to M. C. A. Artists, Ltd. Hence, the assets available to petitioner were insufficient for the payment of creditors' claims and estate taxes for a substantial period of time after the death of the decedent.

Decedent was the sole shareholder of Marilyn Monroe Productions, Inc. The asset of the said corporation was a proprietary interest in the motion picture film entitled "The Prince and the Showgirl." The decedent's Common Stock in said corporation was valued for estate tax purposes at Sixty One Thousand Two Hundred Fifty (\$61,250.00) Dollars (per Schedule "A"). For a substantial period of time the sale of this asset could not be effectuated for an amount sufficient to realize its said value; however, in September 1970, petitioner sold same and liquidated the corporation at a value as set forth on Schedule "A-1" hereof.

Upon receipt of funds, petitioner deposited same with the Savings Bank Association which association then selected and deposited said funds into numerous different savings banks in amounts within the then existing insurance limitation of \$10,000.00. Petitioner therefore placed the Estate funds properly insured in accounts which at that

RECEIVED 'seq' upon receipt of the proceeds of the estate of the decedent.

time were paying the highest rate of interest then available. Estate funds were thereafter deposited in Certificates of Deposit or Treasury Bills as set forth on Schedules hereto.

Petitioner was compelled to defend a proceeding commenced by the State of California which claimed decedent was a resident of the State of California at the time of her death. Petitioner was successful in said proceeding.

All creditors' claims and all tax liabilities have been paid in full. The California ancillary estate was accounted and was concluded.

In 1974, Petitioner negotiated a contract with respect to a publication entitled "My Story" authored by Milton H. Green by the terms of which the Estate received a participation in the royalty proceeds of the said publication and has received income therefore as set forth on Schedule "A-2".

Thereafter, your petitioner commenced litigation in connection with a publication entitled "Marilyn" authored by Norman Mailer. The said litigation was in the past year concluded in favor of defendants after appropriate appeal by your petitioner.

By virtue of the Estate having insufficient cash availability for many years, the various protracted negotiations, the complicated proceedings and litigation, as hereinbefore set forth, your petitioner was not in the appropriate position to submit to the Court a final accounting.

In addition, the residuary provisions of the decedent's will provides for May Reis, as a residuary legatee, to receive "\$40,000.00 or 25% of the total remainder" of the Estate, whichever is less. The assets of the Estate were at all times insufficient to determine, with finality, the precise amount of the said legacy. Even at the particular point in time, the assets of the Estate are insufficient to pay said residuary legatee the sum of \$40,000.00 inasmuch as said sum exceeds 25% of the present assets of the Estate.

The Estate still retains a continuing compensation and royalty interest in four (4) properties. The Estate retains an interest in the motion picture films entitled "Some Like It Hot" and "The Misfits". The Estate retains an interest in continuing music royalties and in the publication entitled "My Story" all as aforesaid described.

The schedules herewith have not set forth a current valuation of the Estate's interest in the said four (4)

properties. Petitioner will request an evaluation thereof from the producers of same and then apply to this Court for approval to conclude the sale of the Estate's interests therein or for a pro rata distribution among the residuary legatees of the continuing royalties therefrom and as residuary legatees will desire.

11. That your petitioner is desirous of rendering to said Surrogate's Court an account of these proceedings and therefore prays

that the account be judicially settled; and

that the Executor, from the cash balance of \$101,299.25 on hand, pay to himself the sum of \$16,591.62 for the balance of commissions due him upon this accounting as per Schedule I; and

that the Executor, from the cash balance of \$101,299.25 on hand, pay to N. Rubin & Co. the sum of \$6,000.00 for accounting services rendered in connection with the within accounting; and

that the Executor, from the cash balance of \$101,299.25 on hand, pay to Elliot J. Lefkowitz, Esq. the sum of \$3,000.00 for legal services rendered in connection with the within accounting; and

that the Executor pay to May Reis 25% of the balance then remaining; and

that the Executor pay to Dr. Marianne Kris 25% of the then remaining balance; and

that the Executor pay to Lee Strasberg the entire remaining balance; and

that the Executor, prior to payment of said residuary, retain the sum of Seven Thousand Five Hundred (\$7,500.00) Dollars for payment of any taxes or all other charges which may be reasonably due; and

that the Executor shall obtain an evaluation and/or offer for decedent's continuing compensation interest in the motion picture films entitled "Some Like It Hot" and "The Misfits" and in music royalties and the publication entitled "My Story" and then accept such offer or arrange for a pro rata distribution, as the residuary legatees will desire or as directed by the Court, among the residuary legatees thereof, however, the residuary legatee, May Reis, shall receive her pro rata in an amount limited so that her residuary legacy shall not exceed the sum of Forty Thousand (\$40,000.00) Dollars in total; and

that the legatees upon receipt of their respective payments to be made to them hereunder will acknowledge receipt thereof and in consideration thereof, each of them will forever release, remise and discharge the Executor of and from any and all claims and liabilities of every kind or nature arising from or in any manner relating to or connected with the Estate of Marilyn Monroe, deceased, and the administration of said Estate; and

that the persons above-mentioned and all necessary and proper persons be cited to show cause why such settlement should not be had; and

for such other and further relief as
the Court may deem just and proper.

Proceeding for Construction of
the Last Will of MARILYN MONROE,

FILE NO. P2781/62

PETITION FOR
CONSTRUCTION OF
WILLS

-----X
TO THE SURROGATE'S COURT, COUNTY OF NEW YORK

The petition of Anna Strasberg, Administratrix c.t.a. of
the Estate of Marilyn Monroe, by her attorneys Irving P. Seidman,
P.C., with offices at 600 Third Avenue, New York, New York 10016,
respectfully alleges as follows:

1. Petitioner is domiciled at 135 Central Park West, New
York, New York and is duly qualified and acting as Administratrix,
c.t.a. of the Last Will and Testament of Marilyn Monroe, the above-
named decedent. Petitioner is a person interested in obtaining a
determination as to the validity, construction, and effect of said
Will under the provisions of §1420(1) of the Surrogate's Court
Procedure Act.

2. Petitioner is acting as such Administratrix, c.t.a.
pursuant to a Decree issued and filed by this Court on July 21,
1989.

3. The Decedent died on August 5, 1962, domiciled in the
City and State of New York, leaving a Last Will and Testament dated
January 14, 1961 which was admitted to probate in this Court on

October 30, 1962, and Letters Testamentary were issued to Aaron R. Frosch, the executor named in the will, on October 30, 1962.

4. On April 29, 1989, executor Aaron R. Frosch died.

5. A true copy of the Will of Marilyn Monroe is annexed hereto as Exhibit "A" and made a part hereof as if fully set forth herein.

6. Since petitioner's appointment, her counsel has requested by letter of the Estate of Aaron R. Frosch that a final accounting of the Estate of Marilyn Monroe be made. Should the fiduciaries of that Estate not do so, petitioner will commence a proceeding pursuant to SCPA §2205 to compel Mr. Frosch's fiduciaries to render a final accounting to the Court regarding the distribution of assets of the Monroe Estate.

7. The property of the Estate of Marilyn Monroe which remains undistributed is principally the royalties paid pursuant to motion picture contracts entered into by the decedent during her lifetime and royalties paid pursuant to trademark licensing agreements which use decedent's signature, name and likeness. Said trademark licenses are currently negotiated and entered into by The Roger Richman Agency, Inc.. The Roger Richman Agency, Inc. also collects the royalty income derived from these trademark licensing agreements.

CONSTRUCTION OF THE MONROE WILL

8. Upon information and belief, all of the specific legacies of the Monroe Will have been paid. Thus the above income falls into the residuary estate.

9. The residuary clause in the Monroe Will (Exhibit "A") reads as follows:

SIXTH:

All the rest, residue and remainder of my estate, both real and personal, of whatsoever nature and wheresoever situate, of which I shall die seized or possessed or to which I shall be in any way entitled, or over which I shall possess any power of appointment by Will at that time of my death, including any lapsed legacies, I give, devise and bequeath as follows:

(a) To MAY REIS the sum of \$40,000.00 or 25% of the total remainder of my estate, whichever shall be the lesser.

(b) To DR. MARIANNE KRIS 25% of the balance thereof, to be used by her as set forth in ARTICLE FIFTH (d) of this my Last Will and Testament.

(c) To LEE STRASBERG the entire remaining balance.

10. Upon information and belief, the bequest to May Reis has been paid in full and she has no interest in the Monroe Estate.

11. Marianne Kris died on November 23, 1980. Pursuant to her will, Anton Kris was appointed executor of her estate.

12. During Petitioner's prior application to this Court for appointment as administratrix, c.t.a. pursuant to SCPA §1418,

and Petitioner's answer to the petition of The Anna Freud Centre, Petitioner raised her concern that the directions of the Will of Marilyn Monroe with respect to the portion of the residuary Monroe Estate conditionally bequeathed to Marianne Kris, were unclear and that this proceeding would be brought to determine the nature and proper disposition of the conditional bequest to Marianne Kris.

13. The Monroe Will which contains the directions to Kris, reads as follows:

FIFTH (d):

Upon the death of the survivor between my mother, GLADYS BAKER, and MRS. MICHAEL CHEKHOV to pay over the principal remaining in the Trust, together with any accumulated income, to DR. MARIANNE KRIS to be used by her for the furtherance of the work of such psychiatric institutions or groups as she shall elect.

14. Upon advice of counsel, petitioner believes that said Paragraphs FIFTH and SIXTH are in need of construction in several respects.

15. It is unclear from the Monroe Will whether Monroe intended Kris to "use" the proceeds of Monroe's conditional bequest only in Kris' lifetime or after Kris' death. The Monroe Will contains no express power of appointment nor trust to Kris. Further, the Monroe Will contains a bequest devising "the entire remaining balance" in the residuary estate to Lee Strasberg. Among other things, petitioner asks the Court to construe the phrase "to be used by her..." to determine from such language whether or not Monroe contemplated Kris' attempt to appoint by Kris' Will the

16. The particular limitations of the conditional bequest and the requirement that Kris "elect" the institution suggests that Monroe only wanted to benefit psychiatric institutions that were approved and monitored by Kris during her lifetime. Significantly, the language of the Monroe Will does not indicate that the conditional bequest to Kris survived Kris' death, nor does the Monroe Will contain an explicit or implicit power of appointment which would permit Kris to bequeath Kris' conditional legacy to psychiatric institutions named in the Kris Will.

17. In the prior proceeding for the appointment of a successor fiduciary, The Anna Freud Centre, purported assignee of the Estate of Marianne Kris, submitted that by Paragraph FIFTH of the Monroe Will, Monroe left an unconditional gift to Kris; this notwithstanding the seemingly clear charitable intent and directions contained in paragraphs FIFTH and SIXTH of the Monroe Will. Petitioner therefore asks that the Court construct the nature of the bequest to Kris, if it survives Kris' death.

CONSTRUCTION OF THE KRIS WILL

18. Assuming Monroe's conditional bequest to Kris survived Kris' death, Petitioner also seeks a construction of the Will of Marianne Kris (Exhibit "B") to determine whether the attempt by Kris to exercise what appears to have been understood by her as a power of appointment was exercised effectively. Since

Exhibit A

Exhibit B

Monroe appears to have intended to have twenty-five percent (25%) of her residuary estate be given to "psychiatric institutions or groups" as Kris selected, it is also necessary to determine, assuming the power of appointment survived Kris' death, who the proper entities selected by the Will of Kris.

19. Paragraph SIXTH of the Will of Marianne Kris (Exhibit "B") reads as follows:

I give and bequeath all property which I have received or which I am entitled to receive under the Will of Marilyn Monroe, which I have not otherwise disposed of during my life, to THE HAMPSTEAD CHILD-THERAPY CLINIC, London, England. If this Clinic is not in operation at the time of my death, I give and bequeath the same to YALE UNIVERSITY for the furtherance of the psychiatric work of its Child Study Center, and it is my wish and desire that such property shall be used as directed by Dr. Albert Solnit and/or Dr. Samuel Ritvo so long as one or both of such doctors are actively associated with the work of said Child Study Center.

20. Because the Hampstead Child-Care Clinic no longer exists a construction is necessary as to the intent of Kris with respect to either a successor of Hampstead or Kris' alternative bequest to Yale University. For this reason, Yale University is named as a party to this proceeding since, should the legacy to the Hampstead Child-Therapy Clinic fail, under the Kris Will, Yale University may be entitled to twenty-five percent (25%) of the residuary Estate of Monroe. In this respect, Petitioner has a derivative interest in the construction of the Kris Will since she is obligated under the Will of Monroe, to pay only those "psychiatric institutions or groups as [Kris] shall elect". In order to know the proper appointee, the Kris Will must be construed

to determine which, if any, institution or group was "elected" by Kris.

21. The Attorney General of the State of New York is named as a party to this proceeding since paragraph SIXTH of the Kris Will provides for the distribution to charities of monies received by Kris from the Monroe Estate.

22. It is respectfully submitted that Petitioner cannot fully perform her role as Administratrix c.t.a. of the Estate of Marilyn Monroe until the foregoing questions have been determined by this Court.

23. There are no persons other than those above-mentioned in this petition interested in this proceeding.

24. No other application has been made to this or any other court for the relief requested herein.

WHEREFORE, the Petitioner prays:

(1) for a decree determining the validity, construction, and effect of Paragraphs FIFTH and SIXTH of the Monroe Will;

(2) if necessary, for a decree determining the validity, construction and effect of Paragraph SIXTH of the Kris Will;

(3) that process issue to the persons and entities above-named requiring them to show cause before this Court why such a determination should not be made; and

(4) for such other and further relief which this Court may deem just and proper.
